REMARKS

The Applicant is submitting this Preliminary Amendment to correct errors in the reference numerals on pages 5, 6, 8, and 11 of the Specification. In addition, the Applicant is amending the Specification to include components that were accidentally omitted in the text. The Applicant respectfully submits that this amendment does not constitute new matter since the omitted text was included in FIG. 1. Specifically, the packet data serving node (PDSN) 20, the Internet Protocol (IP) Network 24, and their relationships within the wireless communication system 10 are illustrated in FIG. 1. In addition, the packet data traffic 203 carried by these components is discussed extensively in the Detailed Description.

Respectfully submitted,
